

Be a Part of Take Flight II... Hagerstown's Next Civic Arts Project!

Take Flight II supports the Barbara Ingram School for the Arts while enriching artistic collaboration, increasing visibility of downtown, promoting tourism, and celebrating community in the Hagerstown Arts and Entertainment district.

As part of Take Flight II, forty-five sponsored hot air balloon sculptures will be artistically decorated and placed in downtown Hagerstown from April 15 – June 15, 2011. All hot air balloons that are not acquired through the Soaring Sponsorship will be auctioned at the Glow Event on June 17, 2011. The hot air balloon was chosen because, like the Take Flight butterfly, it symbolizes a soaring vision for our community—downtown revitalization, a new school for the arts, and students being able to “take flight” through artistic expression.

The mission of the Barbara Ingram School for the Arts is to provide students with a rigorous, comprehensive, college preparatory curriculum rooted in intense, pre-professional training in the arts that encourages excellence and success in their personal development as students, artists, and cultural leaders. The Barbara Ingram School for the Arts Foundation is a 501 (c) (3) non-profit organization that exists to ensure success for students through cultivating and securing public and private funding for the school.

Sponsorships are limited, so act now to be promoted in print, on the web, in the media, at events, and on the streets!
